Dear High School Counselor or Scholarship Coordinator:

Attached is the application for graduating seniors to use in applying for scholarships awarded by the **Hemet Womans' Club. Scholarships** will be given to **three** senior students chosen from the application packets received from the public high schools in the Hemet Unified Public School District. The students selected must be enrolled at the school of their choice as a **full-time student for the fall**. Once notified **of the winner's school choice**, the Hemet Woman's Club will forward a check directly to the scholarship winner's financial aids office to be applied to the student's account.

You may reproduce the application and this cover letter as needed. There is no limit to the number of qualified students who may apply. Completed application packets will be picked up by a Scholarship Committee member on **March 1st at each of the district's public high schools**.

A committee of former independent educators and professional business women will review the applications and, based on established criteria, select students they consider most deserving to receive these awards. Woman's Clubs have long assisted high school students in need with scholarship funds. We hope your school will continue to encourage students to apply to the local Hemet Woman's Club in the next few weeks.

Students need to follow these guidelines by submitting the following:

- * A completed scholarship application form
- * A letter stating financial needs, interest, contributions to school and/or community (Please double space all written materials)
- * Provide at least two personal recommendations (but no more than three) from teacher, minister, employer, friend, etc.
- * A copy of the most recent high school transcript after January

The Hemet Woman's Club hopes to send a club representative to your school's Honor Awards recognition before Graduation.

If you have further questions regarding the scholarship application process, please contact **JoAnn Kuehl, Scholarship Chairman, at 951-212-3693**

Sincerely,

JoAnn M. Kuehl
HWC Scholarship Chairman
